

Sandwich Downs Association – Private Beach Pass and Parking Information

PARKING AT THE BEACH IS VERY LIMITED! In fairness to all, only one vehicle (including golf carts) per household is to be parked at the beach (whether at the Beachway East parking lot or on Beachway West) at any time. The vehicle must belong to a resident of Sandwich Downs (or a guest accompanied by a resident or a renter of a Sandwich Downs property). All vehicles must have a visible parking pass. The beach parking is monitored during the summer season and vehicles without valid SDA identification are subject to being towed.
